Have you ever stopped to think about the number of decisions we make each day? Every decision we make, big or small, is not just a decision to do or not do one singular thing. It's a trade-off. Saying yes to one thing definitely means we are saying no to another.

This simple truth is one that we should keep in mind, especially when it comes to the things that are important to us like our faith and our relationships.

One very clear example is if we choose to miss Mass. What are we placing above the most Holy Sacrifice of the Mass? Why are we ignoring a crystal clear obligation as Catholics? What's the trade-off here? What message are we sending to our family when we choose other things over God?

The things that are important to us, or the things that we claim are important, need to take priority. That sometimes means saying no to things that might not even be bad by definition. It's all a trade-off, and if we're not aware of what we're trading, we're going to end up making some bad deals.

Students in grades 3 - 8 will be taking the ILEARN 2023-2024 beginning on April 16th. Classroom teachers will be sharing greater detail about your child's individual testing schedule before this time. All portions of the assessment will be completed online and students must have a pair of headphones or earbuds to complete the tests.

The test times range from about 4.5 hours to almost 7 hours of testing. It is very difficult to have available certified staff members make up ILEARN tests for students who miss them because of absence. So it is very important that all students in grades 3-8 are in school during the testing days. Please do not make appointments during that time. Thank you.

It's showtime! Some seats are still available for the Jr. High Musical, "The Wizard of Oz," which will be presented on April 18th, 19th, and 20th in Roncalli's auditorium. Contact the school office for details.

God bless.
Mr. Schnarr

Earning and Eclipse Day-

Today the 4th graders traveled back in time and spent the day as Pioneers, learning the ways of life as they once were. Dressed in our Sunday best, we made candles from scratch, churned butter to enjoy with fresh corn bread, learned to weave and created tin art with rocks and nails! After playing several traditional pioneer games, we danced the Virginia Reel with our partners to celebrate the day. Abraham Lincoln paid a visit and we heard about all the amazing things he did for our country! It was a day well spent with lots of memories made!

Royal Girls' Basketball Spring Workouts:

Who:

All incoming 7th and 8th graders for the 2024-25 school year are invited to Royal Girls' Basketball Spring Workouts!

When:

Parents can follow the Master Schedule (linked below) to know when and where we workout after school. Please note that the first location listed is where we will begin and the second gym listed is where we will end. Parents are encouraged to check the schedule on workout days at 1:30 pm as this is when Coach Sims will make any changes if needed. This is a LIVE document that should be checked often.

[Girls Basketball Master Schedule](https://docs.google.com/document/d/1A7jKCI_qkUnNjAvYoxVrSXQ4BrNW0m6EDr00tBsdonw/edit)

https://docs.google.com/document/d/1A7jKCI_qkUnNjAvYoxVrSXQ4BrNW0m6EDr00tBsdonw/edit

What:

Spring workouts will be divided between basketball training drills and sports performance workouts. We do a weight room workout for our Jr. High girls that are not weight bearing (with some small exceptions) and are more agility and function oriented.

Roncalli is putting together some **Girls' Basketball** teams that will play this summer. This will be for incoming 2024-2025—7th and 8th grade girls.
