In many of our newsletters you will find evidence of how St. Barnabas Catholic School is making a difference not only in the lives of our students as they prepare for their futures, but also in the ways our service impacts the world around us. Our greater school community strives to provide an authentic Catholic education. In doing so those we are called to serve also receive an education in virtue through an active worshipping, Christian community. I see that in place in all of the ways that our teachers and students interact. Attend Mass weekly and you will see St. Barnabas School as a worshipping community. Listen in on the ways that teachers counsel their students to be better people academically, spiritually, and behaviorally and see an education in virtue in action.

The Church is committed to educating all of its children rather than exclusively those who can afford a ‘private’ education. I’m often confused when I hear people say, “I like the private education the school offers.” St. Barnabas is not a private school. We are parochial school and the difference is huge. We are a school belonging to a parish. We are not an exclusive school. We are in the business of accompanying our brothers and sisters while they grow and discern how they will attend to all of God’s creation. We are growing in mind, heart, and spirit to become leaders in the world every single day with Him as our guide.

Parent motivations for sending their children to Catholic school may vary. Their commitment to Catholic education may vary. But it’s not impossible to believe that the values taught in a Catholic school will not only evangelize the student, but also the parents of a child as he or she has learned them and shares them at home with their family.

We have a mission uniquely different from any secular educational system. St. Barnabas Catholic School not only shares all of the attributes of an educational community, it is also called to go far beyond and create a Christian worshiping community based on the Gospel of Jesus Christ and the teachings of the Church. Our Catholic school serves as a quality academic institution and as a community of followers of Jesus who pray, worship, and celebrate together as one community.

Jesus was a teacher. The values that He showed his followers over 2,000 years ago are the same values that we teach at St. Barnabas today. Together we have tremendous capabilities for furthering the Gospel through the ministry of Catholic education. To teach in our school is the vocation of our teachers. Thank you all for your prayers and gifts of support for our amazing Catholic school.

God bless.

An Update from SBS on our COVID-19 response

St. Barnabas Catholic School continues to take very seriously its commitment to be transparent with our COVID-19 response and keep our school parents informed about steps being taken to ensure the safety of students, faculty and staff during the current pandemic. Each week, we will send you an update providing the number of cases reported at our school and information on how you can help to keep students engaged during this unprecedented time.

We are happy to report that May 3— May 7 was a successful week of learning at St. Barnabas. School administration had no positive COVID-19 test results reported this week.

Reminders for parents:

If your child tests positive for COVID-19 or is quarantining due to COVID-19 exposure, please contact the principal Mr. Schnarr at rschnarr@stbindy.org. Include in your email:

- The student's name, grade level
- A parent/guardian contact phone number
- The date of test collection

Standard school procedures should still be used to report a daily absence for COVID-19 or for other reasons, or to ask health-related questions.

Marion County Public Health Department guidelines require students and employees to do a daily self-screen before coming to school. Please continue to honor this important self screening process.

- Students who are exhibiting symptoms of COVID-19 without being otherwise explained, are prohibited from coming to school. A student who is at home with COVID-19 symptoms may not participate in any after school activities to include practices, games, concerts, or other events.
- Any student who is symptomatic may return to school after the following criteria have been met:
- 24 hours resolution of fever **AND**
- A note from a healthcare provider stating the individual has an alternate diagnosis and the healthcare provider believes it's appropriate for the student to return to school.

We are all in this together! The assistance of all parents and students in following safety protocols including the wearing of face masks, frequent washing of hands and staying home if they feel they have any of the symptoms associated with COVID-19 is very much appreciated.

Please continue to pray for the safety and success of our school.

God bless!

The Cadet A kickball team recently ended a fantastic and fun-filled season with a victory over St. Louis de Monfort. Most of the St. Barnabas girls have been playing since 3rd grade. St. Louis just completed their first ever season of kickball. In a sign of good sportsmanship and promotion of CYO values, the 2 teams mixed squads after the game and enjoyed an informal scrimmage filled with much laughter and fellowship with our neighbors to the north. Super proud of all of the girls.

Team members include: 8th graders - Eva Spall, Abby Moll, Lily Bauman, Ceci Hall, Tabitha Yoho, Maya Skartvedt, Ellie Himes, Kennady Dougherty, Emma McMinnis and 7th graders - Regan Schoettle, Gracie Cromer and Kaelyn Taylor. Coached by Liz Yoho and Janelle Taylor

Nativity School has invited all boys from 3rd grade thru 8th grade to participate in a boys southside kickball tournament! 3rd/4th grade and 5/6 grade will play the evening of May 17th (not May 11th and 13th as originally planned) and 7th and 8th graders will play Tuesday May 18th. If your son(s) are interested in playing please contact me as soon as possible at 317-741-4176. The deadline to sign up is this Friday, May 7th. Nativity would like to open up the tournament to additional schools once they know how many players St. Barnabas will be bringing. There will be a \$ 10.00 fee to pay for officials. **Cash/Check payments to St. Barnabas school office ONLY. Go Warriors!**
