What a long, strange trip it's been. On behalf of our faculty, staff and administration, I thank you for entrusting your child to us at St. Barnabas during the 2020-21 school year! We are appreciative of this trust and remain committed to providing positive learning opportunities for your child and your family. I thank you for the patience and continued support so many of you provided as we worked together to make this year a success.

As I shared at the beginning of the year, St. Barnabas was excited to welcome back all of our students in August with the intent of offering face to face instruction on a daily basis for as many days as our guidelines and mandates allowed. Our teachers and staff worked countless hours to plan and provide meaningful learning opportunities for our students in the safest way possible. Our cafeteria staff modified the way in which we prepared and presented healthy meals for everyone that wished to receive one. The facilities crew devoted extra hours and late evenings to making sure we had the clean environment necessary for learning every day. I could go on and on about the ways St. Barnabas looked for opportunities to grow in mind, heart, and spirit during a time that few were willing to make the sacrifices our students and families needed.

As parents I know we have many questions about what happens next. Where do we go from here? There are some questions that do not have an answer, and others that will require us to have faith that He will provide. This summer we will take time to reflect on what we have learned over the last ten months and make changes as necessary to become even stronger Warriors next year. By working together we will once again be determined to support the diversity of needs of all our students.

We have worked hard and will continue to work hard to provide the safest environment possible in our school and campus facilities. We have all learned so much this past year, especially that we are strongest when our St. Barnabas community is united and focused on being the best versions of ourselves for others.

Please join me in praying for a safe, healthy, and relaxing summer for all in our St. Barnabas Family. We look forward to another successful school year when we return in August, but for now, let us give thanks to God for the blessings He has shared with each of us over the past year.

God bless all of you and St. Barnabas, pray for us!

The 2020-2021 robotics season came to an exciting close when St. Barnabas hosted a Robotics Showcase to celebrate the hard work and dedication of our 6 robotics teams. Their many hours of design, collaboration and problem-solving were all put on display with much cheering and encouragement from many supportive parents and family members. A big thank you and congratulations are extended to all robotic participants, their coaches and their parents for a fantastic season of building robots and celebrating successes!

Important Indiana School Choice Voucher Expansion

Effective July 1, 2021

The State passed an exciting expansion to the Indiana School Choice “Voucher” program for the 2021-22 school year that will benefit our school families--now **OR** in the future.

A single school choice voucher tier will be in effect. Every family that qualifies for a school choice voucher will automatically receive the highest school choice voucher level for their school district. If you have already filed your school choice voucher, this increase will be applied.

The income limits have also been expanded as outlined below.

Household Size	300% of Reduced Lunch Eligibility
1	\$71,484
2	\$96,681
3	\$121,878
4	\$147,075
5	\$172,272
6	\$197,469
7	\$222,666
8	\$247,863

PLEASE NOTE - To be eligible for a school choice voucher, a student must meet the income requirements AND the requirements for an Eligibility Track. The Eligibility Tracks that enable a student to be eligible to participate in the Indiana School Choice Voucher Program are listed below:

1. If your child or their sibling received a school choice voucher in a previous school year.
2. If your child or their sibling received a SGO Award in a previous school year.
3. If your child was enrolled in a public school in Indiana for at least two semesters immediately preceding their enrollment at St. Barnabas.
4. If your child has a disability that requires special education services and an Individualized Education Plan (IEP) has been developed.
5. If your child would be required to attend a specific public school based on his/her residence that has been assigned a “F” grade.
6. If your child is a foster child of yours.

If your student meets the requirements for one of the Eligibility Tracks AND the Income Criteria, please contact Meg Horcher at mhorcher@stbindy.org.

If your family meets the income criteria, but your student does not qualify for one of the Eligibility Tracks, you can apply for a \$500 Scholarship Granting Organization Award. Receiving a Scholarship Granting Organization Award will provide a Track to a school choice voucher in the subsequent year provided you continue to meet the Income requirements. Please contact Meg Horcher at mhorcher@stbindy.org.

If you have any questions, please contact Meg Horcher at mhorcher@stbindy.org or 317-882-0724 Ext 253.

Parish Pictorial Directory - Coming this Summer!

For now, however, any family can schedule the date and time for their photography session by going to www.ucdir.com. The church code to sign up is IN1713 and the following online family password will be needed: photos. Follow the prompts to schedule your family's appointment time.

Universal is committed to the health and safety of our parish families and will take the necessary precautions to reduce the spread of the coronavirus including following social distancing rules, using plexiglass between families and photographers at the viewing station, and disinfecting all equipment between sittings.

Our parish directory will not be complete without you. Please join us and sign up today.

Corpus Christi Procession

Sunday, June 6th following the 11:00 am Mass

We will begin in the church, visit three stops within the Hill Valley neighborhood and conclude in the church.

Total distance is 0.6 miles

The Feast of the Body and Blood of the Lord and the procession with the Blessed Sacrament, celebrating the sacrament and signifying God's presence in our world and in our lives and reminding us of our common pilgrimage to Heaven, is a prayerful and edifying act of the entire Church.
